

2024 Membership and Rate Information

You are part of so much more than a place to workout

As a charitable organization, our goal is to make outstanding facilities, programs and experiences available to everyone in our community.

Continuing to do that in an environment of rising costs and increasing minimum wage, requires we make a modest adjustment to our rates in order to keep your YMCA experience at its best.

As of January 21st, bi-weekly membership fees will increase by \$1*.

*\$1.50 for Adult Only

REFRESH MY Y FEE:

Effective January 21, 2024

Operating buildings like your YMCA requires a continuous reinvestment. Whether its maintenance of our pools, refinishing our gym and studio floors, or upgrading equipment, we are continually investing in your health and safety. Currently membership fees do not cover these major facility investments.

To support this continuous reinvestment, we are introducing a small Refresh My Y fee added onto your bi-weekly payments.

- **Student: \$1 bi-weekly**
- **Adult: \$1.35 bi-weekly**

Refresh My Y fee will be pro-rated for those receiving financial assistance.
